

Median paired difference (DOPE – comparator)  
n: +0.318592    4n: +0.166282

Median paired difference (DOPE – comparator)  
n: +0.096924    4n: +0.048069

Median paired difference (DOPE – comparator)  
n: -0.004390    4n: -0.004079

One fit seed (11); three sample seeds; TRAIN-derived VALID; identical paired cohort within each row.  
Median paired difference is separate from the difference of displayed medians. Stored-byte cap unconstrained;  
two low-signal Forest lineages excluded. Descriptive only; no superiority, MFS/PTF or production eligibility claim.
